### KAOS 48 HOUR PARTY 1998 AMPHITHEATRE SHOT

*Can you count all of the KAOS agents?*

Our thanks go out to Chris Rigby who took the time to scan this image. He assures us that the original photo is even more outstanding.

People who would like an electronic copy should ask the Grand Vizier nicely at [vizi@ihug.co.nz](mailto:vizi@ihug.co.nz). People who would like a real print should harass Sarah in the LCR when uni starts.

An 8x10cm print will cost the princely sum of **\$2.00**, but surely everyone has a spare grandmother they could mortgage? ❖

### NEW KAOS WEB PAGE

*Heute de welt, morgens das sonnersystem!*

The **KAOS** club has registered its own domain name and a team of volunteers is now working on the new **KAOS** web pages at [www.kaos.org.nz](http://www.kaos.org.nz). It is our goal to establish the best set of web pages devoted to the **KAOS** game on the internet and to provide a variety of services to our club members. ❖

Sew on **KAOS** Eagle patch in black & white, only \$12. Size is 75mm x 80mm. Order from the Grand Vizier (Dillon) 351-2331 or [<vizi@ihug.co.nz>](mailto:vizi@ihug.co.nz).

Orders must be received by Tuesday 16 February. Payment must be made before delivery of the patch. All proceeds to KAOS. We may do another run of patches in March. ❖

### NEW KILLING ROUND REGULATIONS

The Grand Vizier has spent much of his summer slaving away over the manuscript of a new set of guidelines for playing in and running Killing Rounds. The final document is to be produced separately from the main **KAOS** Manifesto and is intended for distribution to everyone playing in killing rounds. The stand-alone nature of the guide is designed to allow for a greater level of detail and cohesiveness to the rules than can be achieved within the space limits of the **KAOS** Manifesto. The Round Guide is being illustrated by the capable cartoonist Matt Powell (see other page for an example of his outstanding work). ❖

### MASTER ASSASSINS GUILD

Another new initiative from the Grand Vizier is the introduction of the Master Assassins Guild. Entry into this guild will be restricted to agents that have carried out their killing round activities with both flamboyant style and ruthless efficiency. As one of their perks Master Assassins will be allowed to use code names, as well as a few other secret privileges. Agents must remain active in rounds to retain their Master Assassin status. ❖

## THE DICTATOR WANTS YOU!

To volunteer for KAOS

Another university year is fast approaching us and the first term is always the time that **KAOS** does most of its recruiting for fresh 'blood'. Volunteers are being sought to aid the tradition **KAOS** propaganda and recruitment campaign. Do you look good in black? Can you sell ice to Eskimos? Can you consume twelve bottles of Lucozade in one afternoon? If you have any of these abilities, and a command of the Queen's English, then you should volunteer!

Volunteers should contact The Dictator at 383-2524 or trond@ihug.co.nz. Feel free to volunteer your friends as well! Politburo members are expected to volunteer generously if they do not wish to be first up against the wall when the first meeting is held! ❖

## I'm On The Side Of The Angel's T-Shirt

Advertisement

This T-shirt can be ordered from Dillon Burke at 351-2331, [vizi@ihug.co.nz](mailto:vizi@ihug.co.nz). Deadline for orders is Friday March 5. Cost of the T-shirt is \$25. Please note that this is not an official **KAOS** t-shirt, although any profits will go to supporting the Grand Vizier's Ball on May 1. A poster of the t-shirt is on display at the Vizier's Palace on Saturday 13 February. It would have been included in this issue of the Daily Illuminator, but MS Word kept crapping out every time the Grand Vizier tried to print the damn thing! ❖

This month's secret conspiracy was brought to you by the members of the Black Household. And if you don't already know then we're not going to tell you about it.
