TROY IS DICTATOR

The Illuminator congratulates Troy Middleton on his ascension to the august position of Dictator of KAOS for the year 2000. We are sure that under Troy's enlightened depotism that the Illuminator will continue to receive the funding it needs to thrive in this new 'millennium'.

The Illuminator understands that the new Dictator has not seen fit to dispense with Trond Nilsen, former President-for-Life of KAOS, and instead of executing him has appointed Trond to the office of Grand Vizier. Other Politburo positions are pending so start sucking up to Troy tonight!

THANKS

This party would not have been possible without the support of the following people: Trond Nilsen, the Politburo clean up squad, Alex Verdonk (chauffeur) John Morten (dance music), Zane Bruce (for the canvas awning), Mary Beth (cult robes), Dillon Burke (ambient music), Peer St Boys (battle aid), Sharon (sewing) & Dave (tolerant flatmate), and last but not least the KAOS Treasury and everyone that made a donation towards the cost of the Portaloo.

Thanks to everyone that turned up for the pacifist warfare battle, the BBQ, and the party, we hope that you had fun.

We would also like to thank our neighbours who have promised not to call noise control until 1:00 am. In the spirit of goodwill we ask that you not go onto their property and trigger their burglar alarms this time (Bruzz this means you!).

KAOS FOILS CULT PLOT

Outgoing Dictator Trond is pleased to announce that the loyal soldiers of the KAOS Legion defeated the corrupt minions of the Reformed Church of the Great Old Ones (RCGOO) in an epic battle on the eve of the new millennium.

RCGOO Cult leaders were unavailable for comment, a minor sub-minion claimed that in a fit of religious enthusiasm the wounded cult leader had screamed "kill all the wounded! No prisoners!" and that obedient cult minions had promptly slain him.

The Peer Street Boys Heavy Artillery was used to great effect – every artilleryman was reported slain when the wind changed.

UN observers have cited the cult for crimes against humanity for summoning a shoggoth as a battlefield weapon. RCGOO Cult members replied by citing the awful singing of their enemy as their reason for resorting to terror weapons. They have vowed vengeance and promise to return to destroy the world in March.

RANDOM CONSPIRACY THEORY OF THE WEEK

Obviously Ja-Ja Glibert is carrying out a covert war against the armies of KAOS in the lower common room. Very soon Shane Murphy, who is currently only supplying weapons to Ja-Ja Glibert, will join in. Picasso has a number of nuclear devices hidden in 102 Clyde Road which Shane Murphy is trying to steal to help win the war and trigger a second Great Flood. We must help The Dictator to stop them, or we are all doomed!

Your Computer is now Y2K Compliant, but is it compliant with all Papal Bulls? Be warned! The Vatican's orbital weapon platforms stand ready to excommunicate any computer system infested with heresy!

This safety message was brought to you by the Holy Office for the Investigation of the Faith (previously trading under the Spanish Inquisition brand name).
